

Matthew Johnson - The Cool Balloon Guy

Matthew Johnson is one of the finest Balloon Sculptors around today. His style is modern and cutting edge. Matthew's modern and laid back approach makes him the only balloon sculptor of his kind in the world today!

Now, we say Balloon Sculptor and not Balloon Twister as Matthew's balloon creations are not just your every day cats and dogs. No, each balloon creation is a miniature work of art and what's more, each balloon creation looks like it just came right out of the pages of a comic book!

So exactly what makes the Cool Balloon Guy different?

Matthew's style is that of a Rock Star combined with a Balloon Artist. Covered in cool tattoos and combining razor sharp wit with cutting edge entertainment, each balloon creation is delivered with a burst of comedy and quick wit. While he is twisting those insane balloon creations he is drawing a crowd and entertaining like no other.

So make sure you catch the **Cool Balloon Guy** and let him twist the coolest balloon creation that you have ever seen. Then take it home and cherish it.

Take a photo too to prove you met the Cool Balloon Guy and brag to your friends.

Those cool balloons don't last forever!
